

# Energy 4 Impact

## Project title

Genderising energy policies in Senegal

## Consortium partners

SEM Fund

## Country

Senegal

## Timeframe

2015 – 2017

## Funding

Total project funds: €232,500

ENERGIA contribution: €190,000

## Donors

Swedish Development Cooperation Agency (Sida)

## Focus

Advocacy on gender and energy

## Objectives

To advocate for the integration of:

- clear gender objectives within the se4all national action plan and investment prospectus
- issues related to WEE within the Global campaign on Energy, Women, Children & health, and other key events.

## Outcome

Increased recognition and knowledge at the se4all partners and at national level of the importance of gender mainstreaming in energy policies and programmes to achieve the se4all objectives and reduce poverty.

Output 1	The project partners have contributed to the planning and development of the SE4All national action plan and investment prospectus that integrates a gender perspective and objectives.
Results	<ul style="list-style-type: none"><li>• Clear gender objectives and activities integrated into Senegal's SE4All</li><li>• Country action agenda and investment prospectus.</li><li>• Key national SE4All documents to include the added value of using women entrepreneurs for last mile distribution of energy products.</li><li>• Government of Senegal and development partners allocate investments to energy programmes that are gender informed.</li></ul>
Output 2	Increased awareness and broader perception at a national level on the importance of WEE activities through the implementation of a national campaign on WEE and energy access.
Results	<ul style="list-style-type: none"><li>• 3 million people reached through the national campaign implemented by Energy 4 Impact and SEM Fund.</li><li>• Media and communication products developed and used to support advocacy and national campaign activities.</li><li>• Key national SE4All stakeholders actively advance gender &amp; energy in their activities.</li></ul>
